In my opinion after every **Quantumuniversit**, **TURBINE**, **TARMOIL** "fischen crusade" the psychological CIA part of this software tries to make the people focus down the hierarchy, eg on the Scapegoat, that was attracted with a cisco computer scholarship in 2002. I guess it are personified prendered Socio Psychology design patterns, revictimizing things, even attacks me over spinal-cord implants, tries to drive me to take knife m32/m44, after such a attack, people seem to focus on scapegoat / hostage, often they prender accusations and add [virtual]real jury that judges himheri. **It's like they would throw a virtual hand grenade down to the younger on a regular basis.** *CIA* See Farbrausch ff-36* which one should do, scapegoats have informations: **Unknown:** we should detect that: +Eventrigger: If kid or 41 Years old "kid"! cries every 3h its maybe subject to PsyWarfare...

Kids unfortunately learn early that they must be the fittest and the first, ("maybe" some parents and technology cards induce that intentionally, see sk1 to avoid that behavior I repeat loud to myself

* first you win
* then you have fame
* then you are getting ignorant and lazy
* then you will have a knife in your back
Don't celebrate wins to much, there are lot young people being abused and blackmailed by older generations. Better invest time to rescue younger victims. unknown: The root of this useless behavior is maybe the school, where different kids battle to answer as first, and then remotely enjoy the fame

winning & arrogance

With Weapon 1 card they forced me to open my safe deposit box at UBS Aarau (The Police Officers Name: Michael R. & a Women don't remember name) They photos from the content of my deposit box, just as a 'proof' that there are no weapons in my deposit box. In fact this was footprinting and enumeration for to steal my data and to create more suicide death bots against me and us. This was granted possibly by prosecuting attorney Marc Sp. of the Justizdepartement Aargau, Switzerland. So now Urs, Martin, Astrid, Pfisterer and the whole Canton of Aargau has all my data, and maybe they even used MY diary entry about Michael B. (Grosmutter Aarau) to drive (t* cards) to him run Amok (against his Grandmother). I was thinking Michael B. will commit suicide so i meet often with him to desescalate, but i could not when i was in the mental institution when Michael driven to run amok.

Some People say: "Pedophilia can not be theraped" i don't know if they mean because of the m72 card or if it is already able to show how to behave correctly. If older people gets paranoid when i tell them (even non verbally) that they behavepedo (and they arepedo) they would become aggressive and attack me. If the young person that would complain about such behavior and the child is not alone they would begin with dirtier things leg. to play m41, && m37 or m38 cards... Normally use kids in the same age like their victim as scapegoats (fischen), would then put the scapegoat into a mental institution and stop abusing the victim, so the victim would think they mentally erased the right offender in the mental institution. I guess the system designen intentionally plays the m73 card to keep the people people pedophile and therefore defending themselves and attacking younger people that would want to stop (cyber)pedophilia.

You can buy homeopathic devices "against" electromagnetic radiation (see card e1, e2, e3, t1). First a device that runs on electric power normally causes more radiation and not less. But in my opinion this would be that perfect camouflage for cyberweapons that emmits on the frequencies of implants or goden wires of victims (e4, t19) this would be offensive equipment, and would maybe obfuscate that the electronic equipment that targets me is in power grid equipment from EG ABB, Siemens and installed by the local Electrician that buys it from eg. Sohn dazu gesteuert seine erste Liebe der er ewige Treue geschworen hat untreu zu werden. Nachste, die Grosskinder geben, dann dem Vater der Söhne mehr Macht über die Grosskinder geben, dann dem Vater so Sohn mit induzierten Tat dissoziieren & fremdbestimmen. Grosseltern die Grosskindern solche Bonbons geben, die das rechtmäzen (Bild) würde dabei helfen den Vater mit Hass die Sicht auf die Kinder zu nehmen. Psychologische Kriegsführung? Freunde 1 steht auf der Bushaltestelle wäre somit indiz für Vorsatz der Grosseltern? Die Großmutter wäre somit die Ehemalige des Sohnes, zu schaun dass der Eltern nicht gegen mittler Klein ausspielen. Diese Karte verschleiert ev. dass der CIA so versucht Informatic-Security Menschen weltweit gefügt zu machen um zu dissoziieren die CIANSA-ISP-Malware finden. Was hat er zweit? Also die Gross-Vater zwingen die Söhne zu und mit dieser einen Tat (1. Untreue) die nicht mehr zu führen und allenfalls den 1. Partner in dem Suizid treibt und gegen alles das, was Frauen heilig ist zu Solidaten Satans zu machen. Aber es ist noch komplexer. (Mikropunkt)
