Year: ~????
Since from the Roswell-Incident, the CIA not just started to cover illegal Human Experiments with Alien Stories, they also actively hunt those, who could be able to leak details about the abusive system. In this case "Man in Black" or "Enemy of State" (just outdated technology stuff so they gave it to the world and the Faraday Cage is not really a Faraday Cage...) greetings to Will Smith, baww. the movies are cool for young boys except that detail.

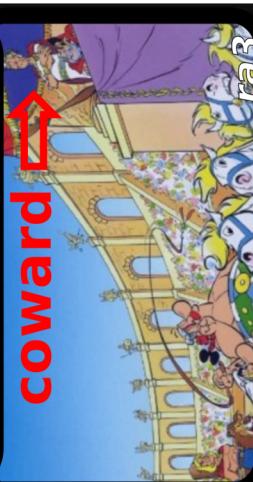

Point No.1: No it is not sexism, the boy would be more stubborn
Point No. 2: Don't buy Assembler Books when your 14 Years old, see dt2 card
Point No. 3: Nor the girl would be on the dark side

RoleArchetype

g4

<https://0x8.ch/HackersCardgame5>**Inventor:** xxxxx

Year: 1990
The Voodoo-Lady is the Role (maybe without even knowing it) that helps to obfuscate the technology-cards. Many people think magic works but don't believe in things like Stimoceiver, Active Denial System, ...

This archetype does not only appear in Monkey Island™ but also in "Pirates of the Caribbean" or in the Series Bones "The Man in the Morgue" S1E19, but Bones picks in his eyes and says: "If you picked someone in his eyes, voodoo isn't that spooky anymore."
